Comment for Type of Reporting Person: The shares of Class A common stock and percent of class reported herein include 1,095,351 shares of Class A common stock acquired by GPC Partners Investments (Elevate) LP ("GPC Elevate") following June 30, 2026 upon its exercise of anti-dilution conversion rights under the Issuer's Amended and Restated Certificate of Incorporation, pursuant to which GPC Elevate converted an equal number of its Class B common stock into shares of Class A common stock. Such conversion rights were triggered by the issuance of Class A common stock in the Issuer's initial public offering and certain other dilutive issuances of stock by the Company during the second quarter of 2026. GPC Elevate continues to hold 7,744,751 shares of Class B common stock that remain convertible into Class A common stock; however, the Issuer's Amended and Restated Certificate of Incorporation prohibits GPC Elevate from converting such shares to the extent such conversion would result in GPC Elevate beneficially owning more than 9.9% of the outstanding Class A common stock. As of June 30, 2026, prior to such conversion, the Reporting Persons beneficially owned 2,082,900 shares of Class A common stock, representing approximately 7.2% of the outstanding Class A common stock.
